

Silver & Gold Senior Club of Northwest Missouri

brings together the talents, resources and energies of those over the age of 60 in Northwest Missouri. By providing an environment which fosters growth and interaction among area seniors the group enriches the lives of all who participate.

The club meets at least once each month at different venues as determined by the activity.

Educational programs, physical activities and exercise, entertainment and dining opportunities represent many of the planned events of the Silver & Gold Seniors Club.

“Bringing people together at any age is a powerful thing,” states Danielle Murray, Executive Director. “But bringing a group of seniors together is especially important. The depth of their life experiences and their ability to connect and share with each other is extremely valuable. We believe that each and every senior in our community should have a positive impact on the entire community.”

Our Mission...

The Silver & Gold Senior Club’s mission is to provide a platform for programs that are created to strengthen and stimulate the emotional, intellectual and physical health of each of its members. By providing a wide variety of activities, events, volunteer and civic participation the club promotes meaningful social interaction and enhances life satisfaction.

WHY Should I Join?

Meeting People

Where can I go to meet seniors in Northwest Missouri?

The Silver & Gold Senior Club is the perfect place to meet and make new friends. There is no charge to be our guest and see the scope of our membership and activities that take place. Meals are often a part of our time together depending on the activity. A delicious, nutritious lunch may be offered free of charge or at a nominal fee when appropriate. A perfect way to spend time with the new friends you will make.

Monthly Luncheons

Is there anywhere I can go to have a great lunch?

Our monthly luncheon Series provides an outstanding opportunity to have a great meal while meeting new people and learning new things. Each month we will have at least one guest speaker from our community as well as a tasty lunch. There is also time set aside for everyone to mingle and get to know one another while creating new friendships.

Learning New Things

What will I be learning and experiencing at events?

Entertainment, performing groups, music classes, gardening classes, guest speakers... you name it, we could have it.

Day Trips

Will we ever travel?

We offer our members occasional day trips that often include chartered buses, ball games, small town history, shopping, flea markets, workshops, classes and so much more.

Programming

Is there anything for men to do at Silver & Gold Senior Club?

In addition to participating in all Silver & Gold Senior Club activities, Silver & Gold Senior Club plans ball games, barbecues, outings around Northwest Missouri, socializing and maybe even the occasional card game.

Volunteering

How can I find fulfillment after retirement and be useful to my community?

Our Silver & Gold Senior Club members can volunteer their time and service in many meaningful ways that benefit Northwest Missouri communities such as tutoring students, working with charities and non-profit organizations, and engaging in civic activities and causes that we will help to coordinate.
